Testimonies for the Church Reading Plan

10 PAGES DAILY - START TO FINISH IN 16 MONTHS

This unique reading plan makes it easy and fun for you to read through these amazingly valuable case studies written for you

"The volumes of Spirit of Prophecy, and also the Testimonies, should be introduced into every Sabbath keeping family, and the brethren should know their value and be urged to read them . . . They should be in the library of every family and read again and again. Let them be kept where they can be read by many, and let them be worn out in being read by all the neighbors" (4T 390 cf. 2 Chron. 20:20).
